ROAD TOUR MINUTES

May 14, 2018

ATTENDING: Chair Dan Golen, Supervisor Kurt Brooks, Supervisor Kevin Connick, Clerk Susan Krasaway and Road Foreman Gary Oswell.

Chair Golen called the meeting to order at 4 p.m. The board met at the town hall and then rode in Gary Oswell's van to inspect several township roads.

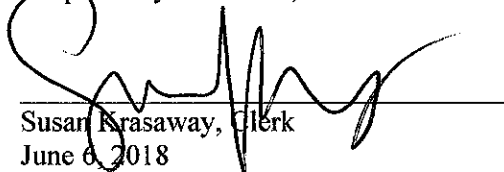

Based on the inspection the board is planning the following minor projects for this summer in addition to the major county projects included in the five-year plan:

- Carmen's Way: culvert clean up
- Christianson Road: add two inches of class 5 gravel over the crushed concrete from last summer; the concrete worked nicely to reduce wash-boarding but was significantly more dusty
- Daniels Rd: Minor ditching and possible culvert replacement
- Lorendale/Nelsondale: clear out culverts, possibly remove a few trees and add a marker to guide the snowplow
- Shady Ln: three culverts scheduled for replacement after the residential construction work complete
- Rec area: needs grading once the frost boils are gone

The board also examined the Christianson Rd. turnaround and discussed pursuing an easement from the property owner. They visited Kehtel Rd. and reviewed the right-of-way area as well. No decisions were made on either of these topics.

Motion by Connick, seconded by Brooks, to adjourn the meeting at 5:07 p.m. Motion carried unanimously, 3 – 0.

Respectfully submitted,

Susan Krasaway, Clerk
